

Once Upon a Slime / Pan Macmillan Australia, 2013 / 9781743287859 / 360 pages / 2013 / Andy Griffiths

Once Upon a Slime is a novice quest during which the player helps Peter get rid of the King Slime who is, once again, terrorising Rimmington. Talk to Peter near the well in Rimmington. He informs the player that King Slime has returned to Rimmington and is once more terrorising the town, as illustrated by a cutscene. Peter has come up with a solution to get rid of the King Slime by creating a Queen Slime. As the player expresses how ridiculous his plan is, the Queen Slime also shows up in Rimmington Once-Upon-A-Slime Children's Picture Book Series. Fun and educational children's picture books about slugs, bugs and mini-beasts that are packed full of slime and giggles. Perfect for children who love the outdoors aged 3-6. Welcome to the Once-Upon-A-Slime Children's Picture Book Series. A slimy hello from the award winning children's picture book series that are packed full of bugs, slimy slugs, spiders and small peoples laughter. The children's picture book series are about a little boy called Max and everyday small creatures children see in their own back gardens, In Once Upon a Slime, not wanting to return his favorite fairy-tale book to the library, Slimer hides it in Egon's latest invention and accidentally turns it on. The next day the fairy tales have come to life, and the fantastical beings learn that Egon's machine was designed to turn ethereal entities into solid matter!
