Description:

From Library Journal It seems that all one has to do these days to be qualified to write a memoir is to have worked for a celebrity. Now we have Seaman's account, based on his diaries written while in Lennon's employ as personal assistant from 1979 until Lennon's untimely death in 1980. For Lennon fans, there is really nothing new here. In fact, no matter what one may have thought of Albert Goldman's *The Lives of John Lennon* (Morrow, 1988), it said about everything that could be said. What separates this treatment from others is the controversy surrounding it--Seaman was charged by Yoko Ono with stealing Lennon's diaries after Lennon's death. He was sentenced to five years probation, yet proclaims his innocence in the book's afterword. The diary style is well served here as Seaman reveals the day-to-day minutiae of the Lennon lifestyle, and what emerges is a sad portrait of a tormented man. Recommended. Previewed in *Prepub Alert*, LJ 6/1/91.
- *Rosellen Brewer, Monterey Cty. Free Libs., Seaside, Cal.*

But few walked the miles John Lennon did as a world superstar and, given his childhood - he barely knew his father and lost his mother to a violent death - it's impressive he was able to have any intimate relationships at all. In "The Last Days of John Lennon," Lennon comes off as dedicated to Yoko yet often feeling spurned by her. He also comes across as a loving father to Sean and awkward and guilt-ridden about his inability to connect with his older son, Julian. I enjoyed this up-close-and-personal account of Lennon's trip to Bermuda, his love of the seas and his son. the author brings us to Florida, for John's final visit with son Julian. I actually learned a few things- like how Sean reacted when John first sang "Beautiful Boy" to him. I felt it was a good, quick read. John Lennon y May Pang, su asistente 11 años menor, vivieron un apasionado romance en un penthouse que se puso a la venta por 5.5 millones de dólares. John Lennon y May Pang, su asistente 11 años menor, vivieron un apasionado romance en un penthouse que se puso a la venta por 5.5 millones de dólares. Author Robert Rosen joins me to talk about his 2000 book on the last years of John Lennon's life, as told through the diaries that Robert transcribed in the early 80s, as well as his new book, 'Bobby. Author Robert Rosen joins me to talk about his 2000 book on the last years of John Lennon's life, as told through the diaries that Robert transcribed in the early 80s, as well as his new book, 'Bobby. Nowhere Man: The Final Days of John Lennon: 15th Anniversary E-book Edition. An inside look at John Lennon's last reclusive year spent in a dark New York apartment portrays a man laden with insecurities, conflicts, and confusion. "synopsis" may belong to another edition of this title. From Library Journal: It seems that all one has to do these days to be qualified to write a memoir is to have worked for a celebrity. Now we have Seaman's account, based on his diaries written while in Lennon's employ as personal assistant from 1979 until Lennon's untimely death in 1980. For Lennon fans, there is really nothing new here. In fact, no matter wh Nowhere Man: The Final Days of John Lennon, first published in 2000 and written by New York journalist Robert Rosen, who in 1981 had access to John Lennon's diaries, is a controversial account of the ex-Beatle's last five years. The book disputes the official view of Lennon as a contented househusband raising his son Sean and baking bread while Yoko ran the family business. Instead, Nowhere Man portrays Lennon's daily life at the Dakota as that of a "tormented superstar, a prisoner of his fame, locked Find great deals on eBay for the last days of john lennon.
