The Havasupai people (Havasupai: Havsuw' Baaja) are an American Indian tribe who have lived in the Grand Canyon for at least the past 800 years. Havasu means "blue-green water" and pai "people". Located primarily in an area known as Havasu Canyon, this Yuman-speaking population once laid claim to an area the size of Delaware (1.6 million acres [650,000 ha]). In 1882, however, the tribe was forced by the federal government to abandon all but 518 acres (210 ha) of its land. A silver rush and the Santa Originally published in 1964 as Havasupai Religion and Mythology, this work has been reedited and includes photographs and a new foreword by Euler, now a consulting anthropologist. Product details. Item Weight : 9.1 ounces. I did not appreciate the legends portion of the book. Maybe it was the limited information provided by the shaman or the story-passer-on-ers, but to me it seemed to be a mixture of altered story telling--almost like a rumor mill where info is somewhat skewed as it is passed along.

Once upon a time, there were two twin brothers who were born near Mooney Falls in the lower part of Havasu Canyon. The older brother was stronger than the younger brother. They both then came to upper Havasu Canyon. There was no water in that part of the canyon then, and it was quite hot. The younger man said to his brother that they should find a place that had abundant reserves of water and corn. *Havasupai Legends* book.
