

The Cambridge History of India, Volume 1, University Press, 1968 1968 Edward James Rapson, Sir Wolseley Haig, Sir Richard Burn, Henry Dodwell, Sir Robert Eric Mortimer Wheeler

Although the original Cambridge History of India, published between 1922 and 1937, did much to formulate a chronology for Indian history and describe the administrative structures of government in India, it has inevitably been overtaken by the mass of new research published over the last sixty years. This volume is the first to offer an overall survey of these architectural and artistic traditions and to place them within their historical context. The book will be a source of inspiration to all those interested in the rich and diverse culture of India, as well as to those concerned with the artistic heritage of the Middle East.
