Immediately download the In Our Image: America's Empire in the Philippines summary, chapter-by-chapter analysis, book notes, essays, quotes, character descriptions, lesson plans, and more - everything you need for studying or teaching In Our Image: America's Empire in the Philippines. Since taking the Philippines as a "prize" in the Spanish American war, the U.S. has strayed from seeing the island nation as a conquest to be exploited, a guilty secret to be fixed, and a valuable strategic asset to be kept at any cost. The Filipino perception of the United States has also changed from (read more from the Study Guide). Study Pack. The In Our Image: America's Empire in the Philippines Study Pack contains: In Our Image Study Guide. Most books on the Philippines are about American experiences there, mainly in World War II. This is a well written, easily read history of that fascinating country. It not only gives the history, but informs on the culture of the Philippines, and explains history that otherwise might be invisible or hard to understand. (For example, how Chinese immigrants influenced the richest families, the love/hate relationship of Filipinos with the USA, the reason why some Filipino politicians sided with Japan, etc.). If you have to read just one book on this fascinating country, this is the one to read. In Our Image: America's E has been added to your Cart. Add to Cart. Buy Now. Another book I recommend to people is Mixed Blessing: The Impact the American Colonial Experience on Politics and Society in the Philippines (edited by McFerson) which is a compilation of essays written years after Karnow's book; that book also contains more statistics that I found useful. I consider the books complementary.
