Although the setting is New Mexico, the tales of the small artisan farmer could happen anywhere, with the crop being anything. The lifestyle is unique; when you have to take a tape recorder with you in order to get a recipe, you know you are onto a phenomenon deeply rooted in the tradition and folklore of the land. Richard Harris is the author of 36 travel guidebooks and history books about the American West, Mexico, Central America and the Caribbean. Explore the unique farming culture of New Mexico through stories, recipes, and photographs in this book of rustic artisanal living. Life is hard for the artisanal farmers of New Mexico but they wouldn't have it any other way. They take pride in their land, their soil, their crops, and their families. Competition for business is friendly and cordial. Neighbors help neighbors, and community is key. They eagerly await the farmers markets not only to sell their wares, but to renew their friendships and swap stories of their mishaps, trials, and adventures.
