Mapping Victorian Adventure Fiction: Silences, Doublings, and the Set in Victorian times, this story by popular middle-grade author Christopher Edge follows the adventure of Penelope Tredwell, a 13-year-old writer who battles to determine what is happening to Bedlam madhouse's patients as they continue to wake up at the same time each night and produce cryptic messages. This deservedly popular novel draws its readers into a fantastical imagining of Victorian London, capturing its obsession for all things mechanical. Follow the adventures of Lily Apple Books checklist. How Smashwords distributes. Community. Never According to Plan is a brilliant and unconventional early Victorian mystery-adventure which dwells on the exploitations that occur when the foolish are introduced to the darker corners of society. When the naiveté of a professional scoundrel leads him to take on a job that could cost him his freedom-or his life-his latest victim must come to his aid-if she can set aside her hatred of him.
