Humboldt Park was designed to be accessible for everyone particularly those who have no other garden except their window sills. Humboldt Park was designed to be accessible for everyone particularly those who have no other garden except their window sills. Jens Jensen The Living Green. Gardening - the soil - gives us so much. Now is the time to get your garden in - no matter how small, it will fill you with the same pride and and tale unfolding in front of you - caring for someone or something is really what we're engineered to do. We all know in theory that nature brings peace, but now, more than ever, we should self-prescribe a dose of it. newyorker.com.
