#### Description:

**Review** . . . a valuable contribution to the literature on the Healing Arts. This beautifully illustrated book has both clarity and scope. For those who are interested in healing others, Dr. Thie has rendered a positive service to the world, when healing knowledge is so needed. --RAMMURTI S. MISHRA, M.D., Yoga Society of New York

The body heals itself. What we have tried to do for the professional, John is doing for the layperson --George Goodheart, D.C.

The body heals itself. What we have tried to do for the professional, John is doing for the layperson --George Goodheart, D.C.

**About the Author** John Thie, DC was president of the Touch For Health Foundation after having led the Thie Chiropractic Clinic for 35 years as a director in Pasadena,

California. With degrees from USC, the Los Angeles College of Chiropractic, and UCLA, he served on the faculties of many Southern California universities, where his treatment and technique gained recognition throughout the world. Despite his recent passing in 2005, Touch for Health will live forever in the hearts of his colleagues and practitioners for years to come.

Matthew Thie collaborated directly with his father since 1996, developing healing protocol, writing articles, and working with students.
