The writer is of opinion that the Council of Nicaea, which forcibly crystallised the controversies of two centuries and formulated the creed upon which all the existing Christian churches are based, was one of the most disastrous and one of the least venerable of all religious gatherings, and he holds that the Alexandrine speculations which were then conclusively imposed upon Christianity merit only. disrespectful attention at the present time. Preface and acknowledgements. John Batchelor. Publisher: Cambridge University Press.Â Wells was a novelist, a romancer, a prophet, a polemicist and a mass of contradictions; a writer who heralded the future but clung to fixed attitudes from the past. At the turn of the century he predicted the invention of the tank, yet during the Second World War he was still engaged in an essentially Victorian struggle between religion and science.
