Divine Healing Technicians. These Technicians were trained daily by both teaching and hands-on practical application. Upon completion of the training, they were given the name of a terminally ill patient and told to go to them and stay with them, ministering to them until they were healed. If they were not able to get the person healed, they were not to return to the Healing Rooms to continue in ministry. Dr. Lake had an ability to impart faith into his hearers. He did this by teaching what he knew to be true from the Word of God concerning divine healing and the authority of the believer.
