IASB standards through September 2010. International financial reporting standards a practical guide. Sixth edition. Hennie van greuning. DARREL SCOTT SIMONET TERBLANCHE International Financial Reporting Standards. A Practical Guide International Financial Reporting Standards. A Practical Guide. The book already forms the basis of a securities accounting workshop offered several times each year to World Bank Treasury clients in central banks and other public sector funds. Each chapter briefly summarizes and explains a new or revised IFRS, the issue or issues the standard addresses, the key underlying concepts, the appropriate accounting treatment, and the associated requirements for presentation and disclosure. International Financial Reporting . A practical, no-nonsense guide to IFRS, backed up by plenty of worked examples to illustrate the requirements. Katherine Martin, Nottingham University Business School. A Practical Guide . Like Beethoven's sixth, perfectly pitched for the intermediate accounting student! Preface The purpose of this book is to explain International Financial Reporting Standards (IFRS Standards) and International Accounting Standards (IAS Standards) at a level which is appropriate for students who are undertaking an intermediate course of study in financial reporting. It is assumed that the reader has already completed an introductory accounting course and is familiar with the basics of financial accounting. The objective of financial statements is to provide information about the financial position (statement of financial position), performance (statement of comprehensive income), and changes in financial position (statement of cash flows) of an entity that is useful to a wide range of users in making economic decisions. Van Greuning, Hennie; Scott, Darrel; Terblanche, Simonet. 2011. International Financial Reporting Standards : A Practical Guide, Sixth Edition. World Bank.
