Description:

Review "Dr. Costello's work establishes ASL as a major force in the future of communications for both the deaf and the hearing."

— Richard Dysart, trustee, Gallaudet University

"This scrupulously researched book solidifies the position of American Sign Language as a rich, vibrant, living language. It is a welcome addition to the shelf of anyone interested in the wonders of ASL."

— Lou Ann Walker, author of **A Loss for Words: The Story of Deafness in a Family**

Other important signing books by Elaine Costello:

Signing: How to Speak With Your Hands

Religious Signing: A Comprehensive Guide for All Faiths

This dictionary represents a commitment to American Sign Language, known familiarly as ASL--a commitment to its authenticity as a living, evolving, fully functional language and to its role as a cohesive force among the large numbers of its regular deaf and hearing users known as the Deaf community. Numbering more than 16 million, people with hearing loss form the largest disability group in this country. To help meet this need, the Random House Webster's Concise American Sign Language Dictionary offers a comprehensive and up-to-date treasury of signs, faithfully recording their formation and usage. In addition to the standard signs used in day-to-day communication throughout the nation, this book features signs from an expanding technical vocabulary. The name "Random House Webster's" is now used on many Random House publications. Versions of the dictionary have been published under other names, including "Webster's New Universal Dictionary" (which was previously the name of an entirely different dictionary) and "Webster's Encyclopedic Unabridged Dictionary". Wikimedia Foundation. 2010. Communalism. Port Maitland, Ontario. Look at other dictionaries: The American Heritage Dictionary of the English Language (AHD) is an American dictionary of the English language published by Boston publisher Hou Random House Webster's Unabridged Dictionary is a large American dictionary, first published in 1966 as The Random House Dictionary of the English Language: The Unabridged Edition. Edited by Jess Stein, it contained 315,000 entries in 2256 pages, as well as 2400 illustrations. The CD-ROM version in 1994 also included 120,000 spoken pronunciations. The Random House publishing company entered the reference book market after World War II. They acquired rights to the Century Dictionary and the Dictionary
