Change the way you think about human behavior forever by reading through this list of fascinating psychology books. by Sarah Moriarty | Nov 8 2018. Our mind is our greatest asset, but we don't always know how to use it or fully understand it. In the vast majority of cases, a lot of our mind's potential remains untapped. In order to learn all about the intricate psychology that underlies human behavior, you simply need to find the right books that contain the right knowledge and absorb it. Consumer behavior is influenced by various factors like individual, environmental and decision making. And these factors may be helpful to marketers in their marketing. Marketing is all about understanding consumer needs and steering the customer toward your product by creating certain wants in the minds of the customer. To do this marketers should be aware of the consumer buying behavior process. Consumer buying behaviour process includes buyer recognition, information search, evaluation of alternatives, purchase decision and post purchase decision.
