Overview: Designed specifically for the GRE, this book includes comprehensive review materials and 14 full-length practice tests. The book youâ€™re holding is a one-of-a-kind resource: the only Graduate Record Examinations® (GRE®) guide created by the ETS team that produces the actual exam. This book is uniquely suited to help you do your best on this challenging test. Hereâ€™s what youâ€™ll find inside. Chapter 1 of this book provides official information about the structure of the GRE General Test. Read this chapter to learn about the different test sections, the number of questions in each section, and the section time limits. Youâ€™ll also find valuable test-taking strategies from ETS and important information about how the test is scored. STEP 2 Study the Different GRE Question Types. How this book is organized. Master the GRE® 23rd Edition is divided into six parts to facilitate your study. Part I explains basic information about the GRE® revised General Test and provides an overview with examples of the different question types youâ€™ll find on the test. Part II offers a diagnostic test to help you identify your areas of strength and those areas where you will need to spend more time in your review sessions.
