

# Organizational Behavior, Volume 1 | John B. Miner | M.E. Sharpe

Focusing on core micro Organizational Behavior issues, chapters cover key themes such as individual and group behaviour. The Sage Handbook of Organizational Behavior Volumes I provides students and scholars with an insightful and wide reaching survey of the current state of the field and is an indispensable road map to the subject area. The Sage Handbook of Organizational Behavior Volume II will publish in November 2008. Edited by Stewart R Clegg and Cary L Cooper this Handbook draws together contributions from leading macro Organizational Behavior scholars. Discover the world's research. There was a problem loading your book clubs.ÂBarling and Cooper have compiled a collection on micro-organizational behavior issues that heavily overlap with key human resource management topics. Numerous headings within each chapter enhance readability. This is a good volume for researchers looking for comprehensive literature reviews.Â - G. E. Kaupins Published On: 2009-03-02.
