Addeddate. 2017-01-23 15:06:27. Symbolism and mythology of the ancients: an outline of georg friedrich creuzer's argument. 22. This paper seeks to establish German Romanticism as the foundation for the process of formation of the humanities as a discipline.[^] At the same time as he was studying the symbolism and mythology of the ancients he was acutely influenced by romantic ideas. We suggest that this fact is crucial for the interpretation of the history of mythology as a subject and as a discipline along with the complex interactions between historical, philological and philosophical arguments in Creuzer's work.
