Academic Policies

Please see the **Carey Academic Catalog** for more details:

<http://www.carey-edu.ca/wp-content/uploads/2016/09/Academic-Catalog-2016-2017-FINAL.pdf>

Course Attendance

Students are expected to attend all scheduled class sessions to fulfil degree requirements. This includes on-line webinars and/or live-streamed portions of courses.

Carey Grading Scale

See the Carey Academic Catalogue for details on the Carey grading scale.

Course Withdrawal Policy

A student who withdraws after the period for which tuition refunds are available within the first half of the course will receive a “W” on their transcript. Beyond those dates, they will receive an “F.”

Extensions

Extensions for course work will only be granted in exceptional circumstances. If an extension will make it impossible for the professor to submit the final grade no later than one month following the final assignment, the student must petition the Registrar’s Office. If the Registrar’s Office grants such a request, the final extension deadlines will be clearly established. Work granted an extension may receive a grade reduction of up to one-third of the final mark.

Academic Integrity

Academic integrity is honest and responsible scholarship. Students are expected to submit original work and give credit to other peoples' ideas. Academic dishonesty is acting in a manner to gain unearned academic credit. Examples of academic dishonesty are:

- Plagiarizing by misrepresenting the work of another person (in whole or in part) as a student’s own work or failing to give credit for either wording or ideas that belong to another.
- Submitting the same material for credit in more than one course (whether the earlier submission was at Carey or another institution).
- Using unauthorized aids of any sort in examinations, completing work in unauthorized collaboration with others, or the unauthorized recording and use of class lectures.

Penalty for a lack of academic integrity may include a failing grade in the assignment, examination or course, depending on the severity of the offense. All students are responsible for knowing and practicing academic integrity and must become familiar with the plagiarism student resource at:

<http://learningcommons.ubc.ca/academic-integrity/>.

Gender Language

As language usage changes, the church must discern where its language must change in order to bear faithful witness to the gospel. Modern English usage has moved away from using masculine terms to refer to groups that include women. Using of such terms in worship, writing, or conversation miscommunicates the invitation of the gospel and the nature of the church. Assignments that don’t conform to the gender language policy will be returned to the student for resubmissions.

See the Carey Academic Catalogue for more details on this policy.
