Brenda Roscher provides sound nutritional advice and outlines the unique dietary needs of people with IBD, showing how to incorporate this information to make healthy choices about which foods to eat. The recipes in How to Cook for Crohn's and Colitis are designed for the home cook, with easy-to-understand directions and ingredients found in local grocery stores. While certainly a travel guide, it provides something no other book offers: personal guidance from two authors who know the city and its shops intimately. Each establishment is viewed from a French point of view, and practical advice is given on the best buys at each shop.
