ePUB (mobile friendly). Personnel Administration in an Automated Environment. Philip E Leinbach. Book details. Here is what the experts have to say about the effects of computer applications on selected facets of personnel administration in libraries. Senior library managers, systems librarians, and library educators with a special interest in automation analyze the changes in the workplace that have already occurred and discuss those that will confront library professionals in the future. Personnel Administration in an Automated Environment covers the latest issues and research on the topic. Resource information. Title proper: Journal of library administration. Country: United States. Medium: Print. ISSN Center responsible of the record: ISSN National Centre for the USA. Links. URL: www.informaworld.com/openurl?genre=journal&issn=0193-0826. Personnel administration is the management of various activities designed to enhance the effectiveness of an organization's workforce (pekerja) in achieving organizational goals. ~ Kathryn M. Bartol & David C. Martin. Personnel management refers to the policies, procedures, practices and systems that influence the behaviour, attitude and performance of employees. ~ Raymond A. Noe. 'Personnel' refers to employees in an organization; it includes all levels of employees (superiors and subordinates). This Course is about 'Public Personnel Administration' - i.e. the management of library administration. ISSN 0193-0826. Visibility. Title: Journal of library administration. related ISSN: 1540-3564. Country: ISSN: 1540-3564, 1540-3564, 0193-0826. EstÃ¡ en Ãndices de citas (Emerging Sources Citation Index, Scopus) = +3.5.
