This was my 4th book by her. I prefer the other three (Power of a praying wife, Power of a praying parent, and Just Enough Light for the Step Im on). Many of the prayers in this book didn't match the unique issues i face in my marriage, but i do think the "average" marriage matches these prayers from what i hear other wives saying. Either way, ANY prayer book is a great place to start!! For best results, speak these prayers out loud!! Read more. In my previous books on prayer, I have shared the ways husbands and wives can pray for one another, parents can pray for their children, and people can pray for their nation. In this book, I want to share how you can pray for YOU. This is an answer to the prayers of countless women and something for which we must praise God. Women need this spiritual covering. When it's done right—with strength, humility, kindness, respect, and understanding—and not with abuse, arrogance, self-promotion, cruelty, harshness, or lovelessness, it becomes a place of safety for a woman. .
