There is something special about young adult romance books. I love both romance and YA in general, but when it comes to first loves, everything is so new and exciting and pregnant with possibility. Just like adolescence. Some of my favourite books are young adult romance books (holla at me, Simon Spier!). Butterflies, secrets, stolen glances, stolen kissesâ€¦You can find it all in a good YA romance. Here are 50 amazing young adult romance books you should be adding to your TBR immediately! You can read books of the Young Adult genre on literary website Booknet in electronic format, on your smartphone or tablet. Such books differ from others because of their drive, energy, and exciting storylines. Therefore, popular Young Adult novels on Booknet are read not only by the young people but also by the older generation: the books' straightforward style, simplicity, intrigue, and originality attract everyone. In Book 1, a mysterious letter, delivered by the friendly giant Hagrid, wrenches Harry from his dreary, Muggle-ridden existence: We are pleased to inform you that you have been accepted at Hogwarts School of Witchcraft and Wizardry. Of course, Uncle Vernon yells most unpleasantly, I AM NOT PAYING FOR SOME CRACKPOT OLD FOOL TO TEACH HIM MAGIC TRICKS!â€” Children will enjoy the magic and the Hogwarts mystique, and young adult readers will find a rich and compelling coming-of-age story as well.

Young Adult genre: new releases and popular books, including *The Gilded Ones* by Namina Forna, *The Project* by Courtney Summers, *A Pho Love Story* by Loan L... Young-adult fiction, whether in the form of novels or short stories, has distinct attributes that distinguish it from the other age categories of fiction. The vast majority of YA stories portray an adolescent as the protagonist, rather than an adult or a child.
