Classic races and classes are reevaluated and redesigned to make the Accordlands Role-Playing Game a unique role playing experience. New mechanics are presented alongside old mechanics for easy reference. This is the only book a player needs! 18 new Character Classes for use in the Accordlands or any other fantasy setting. A "super index" covering information from all four books of the Warlords of the Accordlands RPG. Bundles containing this product: Warlords of the Accordlands [BUNDLE]. \$24.00. \$38.80. Warlords of the Accordlands: The World Atlas. 4.0 out of 5 stars Monster Manuel for the Accordlands Great Addition. 27 November 2014 - Published on Amazon.com. Verified Purchase. I bought the other two books to this particular RPG. I really have enjoyed the "MAster Codex" & "Word Atlas" since I bought them. The "Monster Manuel" to this, well, what can I tell you. It's a "Monster Manuel"! It definately adds to the two sourcebooks that are already out. It isn't bad. It is standard par for course in many ways. But on the other side of the coin, it was nice to see the sample lairs of the mon The Master Codex for the Accordlands Role-Playing Game details all of the information that players need to begin adventuring in the world of Warlord: Saga of the Storm. Classic races and classes are reevaluated and redesigned to make the Accordlands Role-Playing Game a unique role playing experience.
