

RAY WILKINSON: PUBLICATIONS (1995-2015)

Books/Special Issues

1. Wilkinson, R. (Ed.) (2015) Conversation and aphasia: Advances in analysis and intervention. Special Issue of *Aphasiology*. 29; 3
2. Wilkinson, R. (Ed.) (2013) Conversation analytic investigations of dysarthria and hearing impairment. Special Issue of *Journal of Interactional Research in Communication Disorders* 4; 1
3. Wielaert, S. & Wilkinson, R. (2012) *Partners van Afasiepatienten Conversatie Training (PACT)*. [*Conversation Training for Partners of People with Aphasia*] Houten: Bohn Stafleu van Loghum (239 pages)
4. Lock, S., Wilkinson, R. & Bryan, K. (2001) *Supporting Partners of People with Aphasia in Relationships and Conversation (SPPARC)*. Bicester: Speechmark Press (424 pages)

Articles and Book Chapters

5. Griffiths, S., Barnes, R., Britten, N. & Wilkinson, R. (2015) Multiple repair sequences in everyday conversations involving people with Parkinson's Disease *International Journal of Language and Communication Disorders* 50; 6; 814-829
6. Kindell, J., Wilkinson, R. & Keady, J. (2015) Using video and biographical methods to explore home-based interaction in semantic dementia. *Gerontologist* 55: 382
7. Penn, C., Frankel, T. & Wilkinson, R. (2015) Problems with the understandability of aphasic talk: Mentions of persons as a trouble source in interaction. *Aphasiology* 29; 3; 291-314
8. Rendle-Short, J., Wilkinson, R. & Danby, S. (2015) Name-calling by a child with Asperger's syndrome. In: M. O'Reilly. & J. Lester (Eds.) *The Palgrave Handbook of Child Mental Health*. Basingstoke: Palgrave Macmillan (Pp. 350-366).
9. Saldert, C., Johannson, C. & Wilkinson, R. (2015) An interaction-focused approach to training everyday communication partners: A single case study *Aphasiology* 29; 3; 378-399
10. Wilkinson, R. (2015) Conversation and aphasia: Advances in analysis and intervention. *Aphasiology* 29; 3; 257-268
11. Kindell, J., Burrow, S., Wilkinson, R. & Keady, J. (2014) Life story resources in dementia care: A review. *Quality in Ageing and Older Adults* 15; 3; 151-161
12. Kindell, J., Sage, K., Wilkinson, R. & Keady, J. (2014). Living with semantic dementia: A case study of one family's experience. *Qualitative Health Research* 24; 3; 401-411
13. Wilkinson, R. (2014) Intervening with Conversation Analysis in speech and language therapy: Improving aphasic conversation. *Research on Language and Social Interaction* 47; 3; 219-238

14. Wilkinson, R. (2014). Conversation Analysis. In: M. J. Ball, N. Müller & R. Nelson (Eds.) *The Handbook of Qualitative Research in Communication Disorders*. Abingdon: Taylor & Francis (Psychology Press). (Pp. 79-92)
15. Armstrong, E., Fox, S. & Wilkinson, R. (2013). Mild aphasia: Is this the place for an argument? *American Journal of Speech-Language Pathology* 22; S268-S278
16. Bloch, S. & Wilkinson, R. (2013) Multiple troubles and repair in voice output communication-aid mediated interaction. In: N. Noren, C. Samuelsson & C. Plejert (Eds.) *Aided Communication in Dialogical Perspectives: Augmentative and Alternative Communication as Action and Participation within Embodied Social Worlds*. Guildford: J & R Press (Pp. 95-126)
17. Bloch, S. & Wilkinson, R. (2013) The accomplishment of non-serious talk in severe speech disability: An examination of recipient uptake and delayed other-initiation of repair. *Journal of Interactional Research in Communication Disorders* 4; 1; 45-70
18. Butler, C. & Wilkinson, R. (2013). Mobilizing reciprocity: Child participation and 'rights to speak' in multi-party family interaction. *Journal of Pragmatics* 50; 37-51
19. Clarke, M., Bloch, S. & Wilkinson, R. (2013) Speaker transfer in children's peer conversation: Completing communication-aid-mediated contributions. *Augmentative and Alternative Communication* 29; 1; 37-53
20. Clarke, M. & Wilkinson, R. (2013) Realizations of communicative competence in children's peer interaction. In: N. Noren, C. Samuelsson & C. Plejert (Eds.) *Aided Communication in Dialogical Perspectives: Augmentative and Alternative Communication as Action and Participation within Embodied Social Worlds*. Guildford: J & R Press (Pp. 23-57)
21. Kindell, J., Sage, K., Keady, J. & Wilkinson, R. (2013). Adapting to conversation with semantic dementia: Using enactment as a compensatory strategy in everyday social interaction. *International Journal of Language and Communication Disorders* 48; 5; 497-507
22. Wilkinson, R. (2013) Gestural depiction in acquired language disorders: On the form and use of iconic gestures in aphasic talk-in-interaction. *Augmentative and Alternative Communication* 29; 1; 68-82
23. Wilkinson, R. (2013) Conversation analytic investigations of dysarthria and hearing impairment: The impact of motor and sensory impairments in social interaction. *Journal of Interactional Research in Communication Disorders* 4; 1; 1-26
24. Wilkinson, R. (2013) Conversation analysis and communication disorders, In: C. A. Chapelle (Ed.) *The Encyclopedia of Applied Linguistics*. Malden, MA: Wiley-Blackwell. (Pp. 962-967)
25. Wilkinson, R. (2013). The interactional organization of aphasia naming testing. *Clinical Linguistics and Phonetics* 27; 10-11; 805-822
26. Antaki, C. & Wilkinson, R. (2012) Conversation analysis and the study of atypical populations. In: J. Sidnell & T. Stivers (Eds.) *Handbook of Conversation Analysis*. Oxford: Blackwell-Wiley. (Pp. 533-550)

27. Armstrong, E., Fox, S. & Wilkinson, R. (2012) Mild aphasia: Is this the place for an argument?. *Conference Proceedings of the 2012 Clinical Aphasiology Conference*
28. Carragher, M., Conroy, P., Sage, K. & Wilkinson, R. (2012) Can impairment-focused therapy change the everyday conversations of people with aphasia? A review of the literature and future directions. *Aphasiology* 26; 7; 895-916
29. Carragher, M., Wilkinson, R., Sage, K. & Conroy, P (2012) The effects of lexical retrieval therapy on the conversations of people with chronic non-fluent aphasia: Can we capture and quantify change? *Procedia-Social and Behavioral Sciences* 61; 150-151.
30. Griffiths, S., Barnes, R., Britten, N & Wilkinson, R. (2012) Potential causes and consequences of overlap in talk between speakers with Parkinson's Disease and their familiar conversation partners. *Seminars in Speech and Language* 33; 1; 27-43
31. Wilkinson, R., Leudar, I. & Pika, S. (2012) Requesting behaviors within episodes of active sharing: A new look on chimpanzee signalling. In: S. Pika & K. Liebal (Eds.) *Developments in Primate Gesture Research*. Amsterdam: John Benjamins. (Pp. 199-221)
32. Wilkinson, R. & Wielaert, S. (2012) Rehabilitation for aphasic conversation: Can we change the everyday talk of people with aphasia and their significant others? *Archives of Physical Medicine and Rehabilitation* 93; Supplement 1; 70-76
33. Bloch, S. & Wilkinson, R. (2011) Acquired dysarthria in conversation: Trouble source resolution. *International Journal of Language and Communication Disorders*. 46; 5; 510-523
34. Denman, A. & Wilkinson, R. (2011) Applying conversation analysis to traumatic brain injury: Investigating touching another person in everyday social interaction. *Disability and Rehabilitation* 33; 3; 243-252
35. Griffiths, S., Barnes, R., Britten, N & Wilkinson, R. (2011) Everyday interaction in Parkinson's Disease: The potential benefits of a conversation analytic approach. *International Journal of Language and Communication Disorders*. 46; 5; 497-509
36. Wilkinson, R. (2011) Changing interactional behaviour: Using conversation analysis in intervention programmes for aphasic conversation. In: C. Antaki (Ed.) *Applied Conversation Analysis: Changing Institutional Practices*. Basingstoke: Palgrave Macmillan. (Pp. 32-53)
37. Wilkinson, R., Bloch, S. & Clarke, M. (2011) On the use of graphic resources in interaction by people with communication disorders. In: J. Streeck, C. Goodwin & C. LeBaron (Eds.) *Embodied Interaction: Language and Body in the Material World*. Cambridge: Cambridge University Press. (Pp. 152-168)
38. Wilkinson, R., Lock, S., Bryan, K. & Sage, K. (2011) Interaction-focused intervention for acquired language disorders: Facilitating mutual adaptation in couples where one partner has aphasia. *International Journal of Speech and Language Pathology* 13; 1; 74-87
39. Bloch, S. & Wilkinson, R. (2010) Conversation analysis and acquired motor speech disorders in interaction. In: A. Lowit & R.D. Kent (Eds) *Assessment of Motor Speech Disorders*. Plural: San Diego. (Pp. 157-174)

40. Clarke, M. & Wilkinson, R. (2010) Speaker transfer in non-speaking children's peer conversation: Time, timing and the use of voice output communication aids. In: H. Gardner and M. Forrester (Eds.) *Analysing Interactions in Childhood: Insights from Conversation Analysis*. Oxford: Wiley Blackwell (Pp. 249-266)
41. Wilkinson, R. (2010) Interaction-focused intervention: A conversation analytic approach to aphasia therapy. *Journal of Interactional Research in Communication Disorders* 1; 1; 45-68
42. Wilkinson, R., Bryan, K., Lock, S. & Sage, K. (2010) Implementing and evaluating aphasia therapy targeted at couples' conversations: A single case study. *Aphasiology* 24; 6; 869-886
43. Wilkinson, R., Beeke, S. & Maxim, J. (2010) Formulating actions and events with limited linguistic resources: Enactment and iconicity in agrammatic aphasic talk. *Research on Language and Social Interaction*, 43, 1, 57-84
44. Beeke, S., Wilkinson, R. & Maxim, J. (2009) Prosody as an interactional resource for speakers with agrammatic aphasia. *Clinical Linguistics and Phonetics* 23, 2, 133-155
45. Bloch, S. & Wilkinson, R. (2009) Acquired dysarthria in conversation: Identifying sources of understanding problems. *International Journal of Language and Communication Disorders* 44, 5, 769-783
46. Clarke, M. & Wilkinson, R. (2009) The collaborative construction of non-serious episodes of interaction by non-speaking children with cerebral palsy and their speaking peers. *Clinical Linguistics and Phonetics* 23, 8, 561-575
47. Wilkinson, R. (2009) Projecting a reference in aphasic talk and normal talk. *Discourse Processes* 46, 2-3, 206-225
48. Wilkinson, R., Bryan, K., Lock, S. & Sage, K. (2009) Evaluating aphasia therapy targeted at couples' conversations: A single case study. *Conference Proceedings of the 2009 Clinical Aphasiology Conference*
49. Beeke, S., Maxim, J. & Wilkinson, R. (2008) Rethinking agrammatism: Factors affecting the form of language elicited via clinical test procedures. *Clinical Linguistics and Phonetics* 22, 4, 317-323
50. Clarke, M & Wilkinson, R. (2008) Interaction between children with cerebral palsy and their peers 2: Understanding initiated VOCA mediated turns. *Augmentative and Alternative Communication* 24, 1, 3-15
51. Wilkinson, R. (2008) Conversation analysis and communication disorders. In: M. J. Ball, M. Perkins, N. Müller and S. Howard (Eds.) *The Handbook of Clinical Linguistics*. Oxford: Blackwell. (Pp. 92-106)
52. Beeke, S., Maxim, J. & Wilkinson, R. (2007) Using conversation analysis to assess and treat people with aphasia. *Seminars in Speech and Language* 28, 2, 136-147
53. Beeke, S., Wilkinson, R. & Maxim, J. (2007) Individual variation in agrammatism: A single case study of the influence of interaction. *International Journal of Language and Communication Disorders* 42, 6, 629-647

54. Beeke, S., Wilkinson, R. & Maxim, J. (2007) Grammar without sentence structure: A conversation analytic investigation of agrammatism. *Aphasiology* 21; 3/4; 256-282
55. Clarke, M & Wilkinson, R. (2007) Interaction between children with cerebral palsy and their peers 1: Organising and understanding VOCA use. *Augmentative and Alternative Communication*. 23, 4, 336-348
56. Wilkinson, R. (2007) Managing linguistic incompetence as a delicate issue in aphasic talk-in-interaction: On the use of laughter in prolonged repair sequences. *Journal of Pragmatics* 37, 3, 542-569
57. Wilkinson, R., Gower, M., Beeke, S. & Maxim, J. (2007) Adapting to conversation as a language-impaired speaker: Changes in aphasic turn construction over time. *Communication and Medicine* 4, 1, 79-97
58. Bloch, S. & Wilkinson, R. (2006) Troubles with proforms in AAC talk: A conversation analysis study. *Conference Proceedings of Communication Bridges: 12th Biennial Conference of the International Society for Augmentative and Alternative Communication*. (Pp. 74-76)
59. Clarke, M. & Wilkinson, R. (2006) Children's VOCA mediated interaction: Delays as a problem and resource. *Conference Proceedings of Communication Bridges: 12th Biennial Conference of the International Society for Augmentative and Alternative Communication*. (Pp. 116-118)
60. Lock, S., Burch, K., & Wilkinson, R. (2006) Beyond the single word: Conversation-focused therapy for a couple living with aphasia. *Brain Impairment* 7, 3, 268-269
61. Maxim, J., Beeke, S., Wilkinson, R. & Bryan, K. (2006) Conversations with older people: Order and disorder. In: R. L. Jones and J. Percival (Eds.) *Language in Later Life: Issues, Methods and Representations*. London: Centre for Policy on Ageing/Open University. (Pp. 25-42)
62. Wilkinson, R. (2006) Applying conversation analysis to aphasic talk: From investigation to intervention. *Revue Française de Linguistique Appliquée* 11, 2, 99-110
63. Beeke, S., Maxim, J. & Wilkinson, R. (2005) Temporal events and reference in aphasia: A comparison of talking and test performance. *Brain and Language* 95, 113-114
64. Clarke, M. & Wilkinson, R. (2005) The usability of AAC in conversation: A case study of interaction between a child using AAC and her classmate. In: A. Pruski and H. Knops (Eds.) *Assistive Technology: From Virtuality to Reality*. Amsterdam: IOS Publishers. (Pp. 3-7)
65. Bloch, S. & Wilkinson, R. (2004) The understandability of AAC: A conversation analysis study of acquired dysarthria. *Augmentative and Alternative Communication*. 20; 4; 272-282
66. Wilkinson, R. (2004) Reflecting on talk in speech and language therapy: Some contributions using conversation analysis. *International Journal of Language and Communication Disorders*. 39; 4; 497-503
67. Beeke, S., Wilkinson, R. & Maxim, J. (2003) Exploring aphasic grammar 1: A single case analysis of conversation. *Clinical Linguistics and Phonetics* 17; 2; 81-107

68. Beeke, S., Wilkinson, R. & Maxim, J. (2003) Exploring aphasic grammar 2: Do language testing and conversation tell a similar story? *Clinical Linguistics and Phonetics* 17; 2; 109-134
69. Wilkinson, R., Beeke, S. & Maxim, J. (2003) Adapting to conversation: On the use of linguistic resources by speakers with fluent aphasia in the construction of turns at talk. In: C. Goodwin (Ed.) *Conversation and Brain Damage*. New York: Oxford University Press (Pp. 59-89)
70. Beeke, S., Wilkinson, R. & Maxim, J. (2002) Interaction and grammar in aphasia: A comparison of conversation and language testing in a non-fluent speaker. *Brain and Language* 83; 1; 190-192
71. Burch, K., Wilkinson, R., & Lock, S. (2002) A single case study of conversation-focused therapy for a couple where one partner has aphasia. *British Aphasiology Society Therapy Symposium Proceedings 2002*. British Aphasiology Society: London (Pp. 1-12)
72. Beeke, S., Wilkinson, R. & Maxim, J. (2001) Context as a resource for the construction of turns at talk in aphasia. *Clinical Linguistics and Phonetics* 15; 1/2; 79-83
73. Beeke, S., Wilkinson, R. & Maxim, J. (2001) A case study of a non-fluent aphasic speaker: Grammatical aspects of conversation and language testing data. *Stem-, Spraak- en Taalpathologie* 10; 4; 215-232
74. Lock, S., Wilkinson, R., Bryan, K., Maxim, J., Edmundson, A., Bruce, C., & Moir, D. (2001) Supporting Partners of People with Aphasia in Relationships and Conversation (SPPARC). *International Journal of Language and Communication Disorders* 36: 25-30. (Supplement)
75. Lindsay, J. & Wilkinson, R. (1999) Repair sequences in aphasic talk: A comparison of aphasic-speech and language therapist and aphasic-spouse conversations. *Aphasiology* 13; 4/5; 305-325
76. Wilkinson, R. (1999) Introduction (To Special Issue on Conversation Analysis). *Aphasiology* 13; 4/5; 251-258
77. Wilkinson, R. (1999) Sequentiality as a problem and a resource for intersubjectivity in aphasic conversation: Analysis and implications for therapy. *Aphasiology* 13; 4/5; 327-343
78. Wilkinson, R., Bryan, K., Lock, S., Bayley, K., Maxim, J., Bruce, C., Edmundson, A., & Moir, D. (1998) Therapy using conversation analysis: helping couples adapt to aphasia in conversation. *International Journal of Language and Communication Disorders* 33: 144-149 (Supplement)
79. Wilkinson, R. (1995) Doing 'being ordinary': Aphasia as a problem of interaction. *Department of Human Communication Science Work In Progress: Volume 5* (Pp. 134-150). London: Department of Human Communication Science, University College London
80. Wilkinson, R. (1995) Aphasia: conversation analysis of a non-fluent aphasic person. In M. Perkins and S. Howard (Eds.) *Case Studies In Clinical Linguistics*. London: Whurr (Pp. 271-292)
