Roulette (European roulette has slightly better odds). Keno. While playing slots, you can snag free cocktails from the waitresses roaming around (always tip). Roulette is the easiest of table gamesâ€”just place your bet on what you think the little white ball will land on, like odd numbers, even numbers, red, black, or specific numbers (37:1 odds). You can easily find gambling tutorials online, like this blackjack tutorial, or this craps tutorial. A quick Google search will easily find you tons of how-to guides, as well as advanced strategies to increase your oddsâ€”sites like Wizard of Odds. Gambling can be addictive, so you need to take precautions and know when itâ€™s time to quit. For example, free cocktails are great, but thereâ€™s a reason the casino is giving them to you.
