Ultimately the Bible tells the story of God pursuing a relationship with people. It is a story of God working to restore a broken relationship between himself and humanity. Creation of relationship. In the beginning, God created the planet and populated it with life. He longed for them to experience the deep relationship with himself that he originally purposed for them to enjoy. So he provided a solution by creating a nation through which he would bless all of humankind. God promised to Abram, a Semitic shepherd, that he would be the father of a family whose descendants would bring spiritual blessing to the world. This nation would be known as Israel. God has a purpose for everyone including those who resist Him. Ultimately God will get the glory no matter the person because He is the Giver of purpose in every life whether they live for Him or not. God's purpose can be undone. I know that you can do all things; no purpose of yours can be thwarted (Job 42:2). Hallelujah God Jesus led me to this sharing of God's purpose in our lives as I and my spiritual friend sharing the word today and the same message I happened to read from here. So enlightened to see the great love of God for me and the way HE use me growing in HIM day by day. Thank you GOD Bless you. Book Information.
