Art books, art products. Book Review: The Watercolor Course You've Always Wanted. Submitted by Teoh Yi Chie on September 14, 2015 - 2:47pm. Focus of the book is actually on mastering shapes to use them effectively in watercolour paintings. So it's rather conceptual in a way that it forces you to think about your painting before you start. And it's great because that will make for a better painting.Â Author and artist Leslie Frontz has a way to explain concepts very simply. This is an insightful book for beginners and intermediate artists. The Watercolor Course You've Always Wanted: Guided Lessons for Beginners and Experienced Artists is available at Amazon (US | CA | UK | DE | FR | IT | ES | JP | CN) and Book Depository. Visit Amazon to check out more reviews.
