Fabulous book for anyone interested in Eastern mythology/spirituality. I am a psychotherapist, meditator, and yoga instructor and this was a fantastic read. A must for any Joseph Campbell fan. A concise and erudite rendition of the powerful myths of the Vedic and Buddhist mythologies. As one who is currently involved in researching and teaching the role of consciousness in the ontological dimensions of cosmic reality, this Ebook has served me well. Read more. Report abuse. Master mythologist Joseph Campbell had a genius for finding the unifying symbols and metaphors in apparently distinct cultures and traditions. In Myths of Light: Eastern Metaphors of the Eternal, Campbell explores, with his characteristic clarity and humor, the principle that underlies all the great religions of India and East Asia, from Jainism and Hinduism to Buddhism a Master mythologist Joseph Campbell had a genius for finding the unifying symbols and metaphors in apparently distinct cultures and traditions. This book has few pictures; yet, he gives marvelous explanations to compare various beliefs about light throughout the centuries. I was able to compare ideas from the Sankrit to modern neuroscience as well as to quantum physics. Joseph Campbell would be thrilled to see how his explanations of ancient metaphors continue to relate to the mysteries of the universe as they are contemplated today.
