

# Numerology for the New Age 9780929385310 Lynn Buess 262 pages Light Technology Publishing, 1978 1978

This volume concentrates more on the experiential value of numerology than the historical. Lynn Buess has come into national prominence since the success of his first book *The Tarot and Transformation*. His popularity as a speaker and instructor has taken him across the country many times to universities, churches, professional organizations, and New Age Centers of Light. He has appeared on numerous television shows and on radio talk shows from coast to coast. Although his work with Tarot and Numerology causes most people to associate him with symbolical studies, Lynn spends most of his time today with Numerology and the Divine Triangle is the book to which all books on the subject will be compared from now on. At last a truly comprehensive and authoritative text on numerology! Part I is a complete introduction to esoteric numerology. Part II includes extensive delineations of each of the numbers 1 to 78 and, for the first time in book form, a synthesis of numerology, astrology and the Tarot. Each number is explained as personal number vibrations, as a temporary number vibration, in terms of its astrological correspondence and in terms of its Tarot symbolism. Each of the Tarot cards is illustrated. *Numerology for the New Age* by Lynn M. Buess. As a numerologist for the last 30 years, I have read lots of numerology books, (haven't written my own yet) I started with this book, in 1980, however, and am still grateful that I did so. Lynn has a better overview of the spiritual place numbers have, than many authors and puts together a short book that's loaded with wisdom and insight that can be put to use right away. Life path numbers, Karmic numbers and soul numbers I found to be the most helpful in this book. The perspective of describing number attribution as they relate to "things" is very helpful. Books related to Numerology for the New Age. Skip this list. *The Five Things We Cannot Change*. David Richo. \$10.79. *Take Me To Truth: Undoing The Ego*. Nouk Sanchez. \$10.49. *Beliefs, Emotions, and the Creation of Reality: New Teachings from Jesus*. Gina Lake. \$3.99. *The Marriage of Spirit: Enlightened Living in Today's World*. Leslie Temple-Thurston. \$10.49. *The Yoga of Relationships*. Possibly the best book store in southern California. I come here at least once a month. They have a great selection that constantly changes so if you can't find what you want, you may be able to at a later date. Think; highly curated, highly affordable, built for the people by the people, vibe, then you start to see why this is such a fantastic bookstore.
