Free shipping for many products! "In this intimate and revealing book, John Pomfret shows why he is one of the great China correspondents of his generation: He has never held himself at a distance, but has plunged in, with vigor and an open mind. His approach to China has no tint of romanticism or awe; the lives he discovers and the stories he tells, including his own, are unvarnished, unexpected, and riveting."--Steve Coll, author of the Pulitzer Prize-winning Ghost Wars "Chinese Lessons is an extraordinary book. Type New Format Paperback ISBN 9780805086645. A first-hand account of the remarkable transformation of China over the past forty years as seen through the life of an award-winning journalist and his four Chinese classmates As a twenty-year-old exchange student from Stanford University, John Pomfret spent a year at Nanjing University in China. His fellow classmates were among those who survived the twin tragedies of Mao's rule. There are no customer reviews for this item yet. Support Harvard Book Store. Beginning with Pomfret's first days in China, Chinese Lessons takes us back to the often torturous paths that brought together the Nanjing University History Class of 1982. Other readers will always be interested in your opinion of the books you've read. Whether you've loved the book or not, if you give your honest and detailed thoughts then people will find new books that are right for them. I started to study modern Chinese history and the Chinese language at a time when China was terra incognita. As a twenty-one-year-old American exchange student, I had won a front-row seat at what I thought was going to be the greatest show on Earth: the reemergence of China on the world scene after four decades of self-imposed isolation. Chinese Lessons: Five Classmates and the Story of the New China (. ISBN 0805086641) recounts John Pomfret's experiences and perspectives about the then opening China during his attendance of Nanjing University in 1980, during one of the first student exchange programs between the United States and China. The book received positive reviews in major American newspapers, such as The New York Times. It is widely read among the ethnic Chinese community in the United States.
