

# NASA Conference Publication, Issues 2012-2013, , 1977, Scientific and Technical Information Office, National Aeronautics and Space Administration., 1977

April 2013. ii NASA STI Program Profile. Since its founding, NASA has been dedicated to the advancement of aeronautics and space science. TECHNICAL PUBLICATION. Reports of completed research or a major significant phase of research that present the results of NASA Programs and include extensive data or theoretical analysis. Includes compilations of significant scientific and technical data and information deemed to be of continuing reference value. CONFERENCE PUBLICATION. Collected papers from scientific and technical conferences, symposia, seminars, or other meetings sponsored or co-sponsored by NASA. SPECIAL PUBLICATION. Chinese scientists who were barred from a Nasa conference next month on the grounds of national security may now be allowed to attend after the head of the US space agency admitted it had been a mistake to refuse their applications. Charlie Bolden, Nasa's chief administrator, has ordered a review of the Chinese scientists' applications in the hope of re-inviting any who pass security checks for foreign nationals once the government shutdown has been resolved. 21, 2013.
