Book Publishing Learn how to self-publish your book. Cover Design Learn how to design your book. Book Formatting Learn how to format your book. You now know that a press release for your book can be a valuable way of gaining publicity at no extra cost. You've seen the value in both targeting carefully chosen journalists and mass distributing your book press release in order to get featured bragging rights. You know that writing an effective book press release is well within your skill set, provided you remember a book release is not news and seek an intriguing angle. You also have a whole host of options for letting experts promote your book for you and generate publicity, no matter what your budget is. Self-publishing is the act of independently publishing your book on a platform like Amazon without the need of a traditional publishing house. Personally speaking, I've self-published 6 bestselling non-fiction books on Amazon, sold tens of thousands of copies, and continue to collect thousands per month in royalty checks. The success of my books has been directly responsible for the strong performance of my business, which has grown to over 7 figures in less than 2 years. Self-publishing a book is done with these steps: Write a book you're proud of. Decide which self-publishing platform to use After publishing my first book and a free eBook (that I wrote in 10 days), I know how vital a sense of urgency is to get it done. Don't wait. Founders of Basecamp, the project management software, put it perfectly in their book Rework You can start writing your book in plain text in Leanpub, and with one click offer it for sale to your readers all over the world, and they can read it on their computer tablet, phone, or ebook reader. You can create your book in PDF, EPUB, and MOBI in one click . 7. Draft: Created by the CEO of highrise, Nathan Kontny, Draftin is another simple writing interface that many love. To edit your writing Publishing a book is the only way to share your words with a large audience. Do you have a new business that you're trying to promote or establish? Publishing a well-written book can help establish you as a thought leader. Do you want to diversify your income streams or secure speaking engagements? Publishing a captivating or useful book can bring in more income. Do you want to share the skills you've gained over decades of experience? It's time to release your writing! Be sure that your marketing campaigns release the same day. Ask your friends and family to read your book and leave reviews if they can. 10. Engage with your community. Your work isn't done once your book is published. You need to thank the people who write reviews of your work.
