The most comprehensive and best-illustrated introduction to Western art, the two volumes of ART: A History of Painting Art historians seek to achieve a full understanding not only of why these "persisting events" of human history look the way they do but also of why the artistic events happened at all. What unique set of circumstances gave rise to the erection of a particular building or led a specific patron to commission an individual artist to fashion a singular artwork for a certain place? The study of history is therefore vital to art history. And art history is often very important to the study of history. Art objects and buildings are historical documents that can shed light on the peoples who From prehistory through the Fourteenth Century, volume one of "Art across Time" presents the most accessible survey of art history available. Unencumbered by global flashbacks and confusing concurrent narratives, "Art across Time" presents a manageable survey that emphasizes art in its cultural and social context.
