

Ultimate Sega Game Strategies: For the Master and Genesis Systems // Corey Sandler // 1990 // 9780553353129 // Bantam Books, 1990

I purchased this Game Genie code book to have when I need to use cheat codes in my Genesis video games. I wanted a printed book that had all the codes released by the maker of the product & this has them all in on book. These Game Genie code books are also available for the SNES & NES video game consoles so you can purchase those too if needed. I highly recommend these Game Genie cheat code books because they are an easy way to have your Game Genie cheats codes available when you need them. 2. It's missing some essential "Master Codes". These are codes you need to put in before picking a specific cheat, otherwise you get a red screen when you start the game. This is because some games run a checksum check at boot to make sure nothing's being tampered with. California Games II (Brazil, Korea). 150 Ko. California Games II (Europe).
