DG: When I compiled Be As You Are: the Teachings of Sri Ramana Maharshi I specifically targeted westerners who had never heard about Sri Ramana, and who knew little or nothing about the Hindu tradition and its terminology. Anyone in that category should find this book a good place to start. For a good introduction to Sri Ramana's life, I would recommend Arthur Osborne's Ramana Maharshi and the Path of Self Knowledge. For those who want more, I can suggest some of the primary texts in which Sri Ramana's teachings were recorded by those who were listening to him. Talks with Sri Ramana Maharshi, Be As You Are, edited by the librarian at the sage's ashram "still flourishing" at the foot of the holy mountain of Arunachala, is a compendium of those riches as bequeathed personally to pilgrims hungry to discover what is "the ultimate truth". "Nothing more than being in the pristine state. That is all that need be said," declared Sri Ramana. The simple message of Sri Ramana Maharshi, one of India's most revered spiritual master, whose teaching, forty years after his death, are speaking to growing audiences worldwide. Be As You Are, edited by the librarian at the sage's ashram "still flourishing" at the foot of the holy mountain of Arunachala, is a compendium of those riches as bequeathed personally to pilgrims hungry to discover what is "the ultimate truth". Be As You Are. The Teachings of Sri Ramana Maharshi. Edited by David Godman. Our rating: ~...~...~...~... 5 out of 5. The essence of Sri Ramana's teachings is conveyed in his frequent assertions that there is a single immanent reality, directly experienced by everyone, which is simultaneously the source, the substance and the real nature of everything that exists. He gave it number of different names, each one signifying a different aspect of the same indivisible reality. The Teachings of Bhag eachings of Bhag eachings of Bhagavan. Jung The Spiritual Teaching of Ramana Maharshi Ramana Mahars Sri Bhagavan was as definite about this as other Masters. Therefore it was not enough for the sadhaka (aspirant) to know that his teaching was sublime and his presence inspiring; it was necessary to know that he was a Guru giving diksha (initiation) and upadesa (instruction). Submission to this Guru is not submission to any outside oneself but to the Self manifested outwardly in order to help one discover the Self within. What would be the use of a transient being like that? But as long as you think that you are separate or are the body, so long is the outer Master also necessary and he will appear as if with a body. When the wrong identification of oneself with the body ceases the Master is found to be none other than the Self.
